service**

About us

PDR Property Services was established to provide high quality, cost effective cleaning and associated services to all whom may require. We have over 40 years of experience within the security & cleaning industry. Unlike other companies, I and my co-directors have all worked from the ground up giving us hands on experience, foresight and relatability towards our staff and clients. We are fully aware of what is required to achieve your goals. The main difference between PDR Property Services and other companies is that our management team will go that one step further to ensure our client's services are met consistently and that we get the job right the first time.

We work closely with our clients and our service delivery is tailored to meet their individual needs. We believe in honesty between our two parties, old fashioned reliability and trust, yet we are a forward-thinking organization that is committed to developing and rewarding our staff adequately, minimizing our impact on the environment and protecting the health & safety of others. We pledge to provide the finest service.
